Dear Friends:

With your donation to CWS Tools, families are empowered and communities are strengthened. Your support helps to equip people with not only solutions, but resilience.

You are providing CWS with the ability to help people around the world to:

- **Build viable communities** using tools for such trades as carpentry, plumbing and tailoring for refugees.
- **Gain resources and develop skills** necessary to sustain themselves and their families, such as gardening tools and materials to build vegetable gardens
- **Access clean and safe water** by constructing sand dams to trap seasonal rains for year-round use by families.

On behalf of all the people who feel more hopeful and less alone because of your generosity, we thank you. Please accept this CWS Tools certificate honoring your vital partnership with CWS in building a world where there is enough for all.

Sincerely,

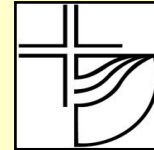

Rick Santos  
President and CEO  
Church World Service

We welcome you today to enter into the fellowship we have with one another through Jesus Christ. During the worship service opening time of praise there is an opportunity to bring your tithes and offerings forward as an expression of worship and place them in the offering plates provided. We invite everyone to complete the communication card and place it in the offering plate also. In the narthex there is an offering plate for those who prefer to place their offering and communication card there.
